440/460 LE

For Volvo safety, quality and reliability the 440 and 460 are hard to beat. And now, with the Special Series LE, you can enjoy all this and more in a value-packed Special Series car generously equipped for style and refinement.

Canis alloy wheels, metallic paint and plush velour upholstery set the tone.

Clearly the LE deserves your every attention.

VOLVO
440

440/460 GS

There's no disguising the dynamic sporting style and heritage behind the crisp lines of the Special Series GS. Yet step inside and you'll find a car which also boasts superior levels of refinement all at a price you will find difficult to believe.

With full air conditioning (petrol engine versions), Mexico plush/leather upholstery, electric front windows and mirrors, remote central locking and RDS 6 speaker stereo radio/cassette, the GS comfortably leaves the competition standing.

Whilst Pictor alloy wheels, with low profile tyres, a large rear spoiler, sports suspension and metallic paint confer sporting style and performance.
